

PRIVACY POLICY

Please read our Privacy Policy carefully as it explains the following:

In order to use the App, you must first acknowledge and agree to our Privacy Policy. You cannot use the App without first accepting our Privacy Policy.

GENERAL

We provide the SHARE THE CHURCH Application which helps Christians to connect while on the road or at home and receive the most up-to-date information on Church locations and Events.

We provide the SHARE THE CHURCH Application. We ("Individual", "us", "we" or "our") recognizes and understand the importance of the privacy of its users ("User", "you" or "your") and want to respect their desire to store and access personal information in a private and secure manner. This Privacy Policy applies to our application and describes how we manage, store, and utilize your Personal Data through its Products.

In order to use our app, we require you to consent to the collection and processing of your Personal Data before you start using the app. If you do not agree with the terms of this Privacy Policy, you may not use in any manner the app.

We are committed to protecting the privacy of all of its user's Personal Data and providing a secure, user-controlled environment for the use of the app.

PERSONAL DATA YOU PROVIDE

- **Account Credentials.** In order to use the SHARE THE CHURCH App Services, you are required to log in with an Account Authentication Mechanism (Name, and email address, or any third-party login such as Google Sign-in, Apple Sign-in) When creating an account, SHARE THE CHURCH stores a hashed version of your Account Authentication Mechanism for authentication and/or verification purposes. We use a third-party service provider for verification and authentication.
- **Profile Information.** When you create an account, you choose to provide us with Personal Data about yourself. For example, in the SHARE THE CHURCH App, you

may provide your Personal Data, such as name, email address, and any other information that is required to positively identify the user.

- **Location and Distance Information.** When you use the SHARE THE CHURCH App, we collect your precise location (e.g. your latitude and longitude) ("**Location**") to determine the distance in feet or meters ("**Distance Information**"). Should you choose not to allow the SHARE THE CHURCH App to access your location, certain features (such as displaying nearby user profiles or features that include Live Location Sharing) of the SHARE THE CHURCH Services will not function properly. You may also revoke this permission and disable the location services on your device. You can do so on an iPhone by going to Settings, Privacy, Location Services, SHARE THE CHURCH; and on Android, by going to Settings, SHARE THE CHURCH App, Permissions, Location.
- **Feedback/Support.** If you provide us feedback or contact customer support, we collect your name and e-mail address and possibly other Personal Data (e.g. IP address), as well as any other content that you send to us in order to reply and address any issue. If you contact customer support, we also collect and retain certain technical diagnostic data, such as your phone model. We may keep records of our communication with you, including any complaints we receive from you about other users (and from other users about you).

LOG DATA

We want to inform you that whenever you use our Service, in case of an error in the app, we collect data and information (through third party products) on your phone called Log

Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

YOUR PERSONAL DATA

We are using a strong backend for our SHARE THE CHURCH App. In the backend, all the content will be stored. All Data will remain safe and secure. No, single information/data will send anywhere.

SECURITY

We value your trust in providing us with your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

CHILDREN'S PRIVACY

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided me with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do the necessary actions.

PAYMENT TERMS

We may provide paid products and/or services within the Service. In that case, we use third-party services for payment processing (e.g. payment processors).

We will not store or collect your payment card details. That information is provided directly to our third-party payment processors whose use of your personal information is governed by their Privacy Policy.

The payment processors we work with are:

Apple Store In-App Payments

Their Privacy Policy can be viewed at <https://www.apple.com/legal/privacy/en-ww/>

Google Play In-App Payments

Their Privacy Policy can be viewed at <https://www.google.com/policies/privacy/>

SERVICE PROVIDERS

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

UPDATES OR CHANGES TO OUR PRIVACY POLICY

Occasionally, we may change or update this Privacy Policy to allow us to use or share your previously collected Personal Data for other purposes. If we would use your Personal Data in a manner materially different from that stated at the time of the collection, we will provide you with a notice on our Website and in our SHARE THE CHURCH Mobile Application indicating that the Privacy Policy has been changed or updated and request you to agree with the updated or changed Privacy Policy.
